Third-party Advertisers, Links to Other Sites

CannellVision, Inc. allows other companies, called third-party ad servers or ad networks, to serve advertisements within the CannellVision, Inc. Sites. They may also use other technologies (such as cookies, JavaScript, or Web Beacons) to measure the effectiveness of their advertisements and to personalize the advertising content you see.

The advertiser may also use information regarding your use of the CannellVision, Inc. Sites, such as the number of times you viewed an ad (but not any personally identifiable information), to determine which ads to deliver to you.

You should consult the respective privacy policies of these third-party ad servers or ad networks for more information on their practices and for instructions on how to opt-out of certain practices.
